

Try the drive

First Aviation Services from Route 17

Driving north on Route 17 (2.5 miles north of Route 3), keep right and take the “Moonachie/Wood-Ridge” off-ramp just over a slight hill *before* the overpass.

The ramp comes up fast, so be in the right lane.
It's before the electronic sign near the overpass.

Go up the ramp and turn right at the light onto Moonachie Avenue, drive east.

After 1/2 mile, turn left at these signs into the airport.

Proceed 1/4 mile to First Aviation Services on the left.

OTHER DIRECTION:

Driving Route 17 *southbound* from US 46?

Take the Wood-Ridge/Moonachie off-ramp.

Turn *left* at that light. Cross over overpass and drive east ½ mile on Moonachie Avenue.
