

## **GENEROUS TENANT FLIES DOCTORS AND SUPPLIES TO HAITI FROM FIRST AVIATION SERVICES**

**January 20, 2010:**

One of our ***First Aviation Services*** family puts their Gulfstream to work for earthquake victims, launching from our ramp for Haiti with ten physicians and medical supplies.

More flights are planned in coming days.

Just another of our great customers, the talented and successful people who -- for their business aviation and VIP travel needs -- call ***First Aviation Services*** home.
